I want to thank you for your support of confidence in me as Vice Grand.

It is a humbling experience to know that people will support you in whatever efforts you pursue in life.

My hope is to feed you well, make your visits to our weekly meetings a delightful one and promote enduring friendships.

Remember this quick quote of wisdom - The true measure of kindness is by the good works and deeds that you do for your fellow human beings.

Vice Grand, John Bayer

SIMPLE FORMULA TO LIVE BY

**Live beneath your means
Return everything you borrow
Stop blaming other people
Admit it when you make a mistake
Give clothes not worn to charity
Do something nice for someone
Listen more; talk less
Everyday take a 30 minute walk
Strive for excellence, not perfection
Be on time
Don't make excuses
Don't argue
Get organized
Be kind to unkind people
Let someone cut ahead of you in line
Take time to be alone
Cultivate good manners
Be humble
Realize and accept that life is not fair
Go an entire day without criticizing anyone
Learn from the past. Plan for the future
Live in the present
Don't sweat the small stuff**

Independent Order of Odd Fellows - Republic of the Philippines

What does Odd Fellowship stand for? Odd Fellowship was first founded at least 280 years ago. As an organization, it is non-political. It does not claim any access to political and government power. It is non-sectarian. It is not limited to people belonging to a particular religious sect. It is not a religion. It does not promise spiritual salvation. It is not an occult or mystical Order. It does not claim to possess any hidden or secret knowledge or purpose. It is not a financial institution. It does not promise financial wealth to its members. It is non-elitist. It does not rub shoulders with the rich and famous to gain attention. Its history is not tainted with accusations of conspiracy, crimes and abuse of power. The aim of Odd Fellowship is only the improvement and elevation of human character by instilling to each member practical and benevolent values, and by encouraging its members to exemplify these principles into actions:

UNIVERSAL JUSTICE
FIDELITY
CHARITY
HOPE
FAITH
TRUTH
LOVE
FRIENDSHIP
PURITY

Segment from Odd Fellows - Rediscovering More Than 200 Years of History, Traditions and Community Service in the process of being written by Louie Blake Saile Sarmieto , Harald Thoen, & Terry L. Barrett
The goal is to have this book reach many members in various countries worldwide as we celebrate the 200th Anniversary of the Independent Order of Odd Fellows as established by Thomas Wildey in 1819.
